WORK EXPERIENCE

Web Developer in Training Thinkful

08/2018 - 10/2019

Learned to write clean, testable code with a focus on mobile-first responsive design in a test-driven development. Learned industry best practices and practical software development standards with a focus on HTML5, CSS3, JavaScript, jQuery, Node.js, React, Redux, and algorithms & data structures. Created and deployed mobile-first applications while learning new languages and frameworks by collaborating several hours every week with a senior web developer

Assistant Manager Trader Joe's

05/2017 - 05/2019

Part of a team training and managing 100+ employees in sales and delivery roles. Responsible for shift scheduling and operational efficiencies. Cross training of sales floor associates and managers in adherence to company standards. Recruited, interviewed, and hired all new personnel. Increased profits through effective training and troubleshooting profit loss areas. Responsible for all cash management including all tills, safe, and change ordering.
